

STUDENT ACHIEVEMENTS

Mr. Pradeep B, third year Computer Science and Engineering student of NMAM Institute of Technology, Nitte has been selected for eight weeks FOSSEE Summer Internship 2017 for the Generic IOT Platform Project at Indian Institute of Technology, Bombay under the mentorship of Mr. ManasRanjan Das, Research Assistant, Scilab-Arduino. FOSSEE (Free and Open Source Software in Education) project promotes use of FOSS tools to improve the quality of education in our country. The FOSSEE project at IIT Bombay is part of the National Mission on Education through Information and Communication Technology (ICT), Ministry of Human Resources Development, Government of India.

Our last year passout student, Pratheek B, has obtained 10th rank in GATE 2017 at National level in Computer Science and Engineering.

Ms. Ravina Shetty from final year Computer Science engineering from NMAMIT,Nitte has participated and won 1st runner up at Miss Mangalore 2017 organised by Infinity Entertainment held on 25th March 2017 at Mangalore Hills.

Achievements of the students in participation of VTU Inter Collegiate competitions

IEEE – I2 CONECCT Regional Intercollegiate M. Tech. Project Competition held at NMAMIT on 30th May 2015

□ IEEE Mangalore sub-section and NMAM Institute of Technology, Nitte in association with IEEE Bangalore section organized an intercollegiate M. Tech. student project competition under the banner of I2 CONECCT (Industry Institute Conclave on Electronics, Computational and Communication Technologies) for final year M. Tech. Students of engineering colleges of six districts comprising of Dakshina Kannada, Udupi, Uttara Kannada, Shivamogga, Chikmagalur and Kodagu on 30th May 2015 at NMAMIT, Nitte.

1. Circuit Branch:

1st prize won by Mr. Raghavendra Prabhu, E&E Dept., NMAMIT, Nitte on the topic “Simulation And Hardware Implementation Of Grid Connected Photovoltaic System”

2. Non-circuit Branch:

1st prize won by Mr. Astron Manoj Tauro, Machine Design – Mechanical Engg. Dept, NMAMIT, Nitte on the topic “Design, Fabrication And Testing Of Micro-pump manufactured Using Tool Based Micromachining Process”

2nd prize won by Mr. Kumar Roshan, Energy Systems – Mechanical Engg. Dept., NMAMIT, Nitte on the topic “CFD Simulation And Design Of Ventilation System For Forging Lab”

□ **Ms. Sanjana Chiplunkar, Ms. Aparna Mohan Ms. Shiny Martis and Ms. Sandhya Kamath**, of Final year have won First prize (among 19 contestants), cash award of Rs. 50,000 and a Shield for their project presentation on “MICROBIAL BIOREMEDIATION OF EFFLUENTS” at a National level competition organized by “Joy of Engineering Design and Innovation (JED-I)” in association with Indian Institute of Science, Bengaluru held on 22nd June 2015 at Bengaluru. The research project was carried out under the guidance of Dr. C. Vaman Rao, Professor & Head and Ms. Louella Concepta Goveas, Assistant Professor.

□ **Ms. Sanjana Chiplunkar, Ms. Sandhya Kamath, Ms. Aparna Mohan and Ms. Shiny Martis** of VIII semester won First prize for poster presentation on “Comparison of Growth Kinetics of *Brevibacterium* sp. (MTCC10313) used for Heavy Metal Remediation of Effluents” at a National Conference on “Advances in Environmental Biotechnology for Sustainability” in association with Karnataka State Pollution Control Board, held on 6-7th Feb 2015 organized by Dept. of Biotechnology, Alva's College, Moodbidri. The research project was carried out under the guidance of Dr. C. Vaman Rao, Professor & Head and Ms. Louella Concepta Goveas, Assistant Professor.

□ **Ms. Shiny Martis, Ms. Sanjana Chiplunkar, Ms. Sandhya Kamath, Ms. Aparna Mohan** of VIII semester won First prize in Biotechnology Session of paper presentation on “Biochemical characterization of surfactants produced by *Brevibacterium* sp. (MTCC 10313) under stress conditions” at a International Conference on New Frontiers in Chemical, Energy and Environmental Engineering (INCEEE-2015), held on 20-21 March, 2015 organized by National Institute of Technology, Warangal – 506 004, Telangana, India,. The project was carried out under the guidance of Dr. C. Vaman Rao, Professor & Head and Ms. Louella Concepta Goveas, Asst. Professor.

□ **Ms. Shiny Martis, Ms. Sanjana Chiplunkar, Ms. Aparna Mohan and Ms. Sandhya Kamath** of VIII semester won First prize in paper presentation on “Interaction of *Brevibacterium* sp (MTCC10313) with heavy metals and MIC studies” at “SYMBIOT 15” a National level Symposium organized by Dept. of Biotechnology, Manipal Institute of Technology in collaboration with Institute of Engineers-Biotechnology Chapter on April 2nd 2015. The project was guided by Dr. C. Vaman Rao, Prof.& Head Ms. Louella Concepta Goveas, Asst. Professor.

□ **Sumedha Bhat, Arpita G Shetty, Shwetha** of VIII semester won First prize in poster presentation on “A Novel Bioremediation Approach from *Diplococcus* Sp. Isolated from Ginger” at “SYMBIOT 15” a National level Symposium organized by Dept. of Biotechnology, Manipal Institute of Technology in collaboration with Institute of engineers-Biotechnology Chapter on April 2nd 2015. The project was guided by Dr. Ujwal P, Professor and Dr. C. Vaman Rao, Prof. & Head.

□ **Ms. Shiny Martis Ms. Sanjana Chiplunkar, Ms. Sandhya Kamath, and Ms. Aparna Mohan** of VIII semester won Third prize for poster presentation on “Bioremediation of lead by *Brevibacterium* sp. (MTCC10313)” at an “International Conference on Water: From Pollution to Purification” held from Jan 23rd – 26th 2015 at School of Environmental Sciences, Mahatma Gandhi University, Kottayam. The research project was carried out under the guidance of Dr. C. Vaman Rao, Professor & Head and Ms. Louella Concepta Goveas, Assistant Professor.

□ **Shiny Martis B, Sandhya Kamath, Aparna K Mohan & Sanjana Chiplunkar** – third place in Project Exhibition with the project title “Microbial Bioremediation of Effluents”, with a cash prize of Rs.6000. organized by SRISHTI-2015 organized by Akhil Bharatiya Vidyarthi Parishad (ABVP) Karnataka, held at New Horizon College of Engineering, Bengaluru, on May 1st, 2nd and 3rd , 2015. The project was guided by Dr. C. Vaman Rao, Prof. & Head Ms. Louella Concepta Goveas, Asst. Professor.

□ **Ms. Sanjana Chiplunkar, Ms. Sandhya Kamath, Ms. Shiny Martis, and Ms. Aparna Mohan** of VIII semester presented a project titled “Microbial Bioremediation of Effluents”

organized by RUSI Award programme conducted by Rotary Bangalore Udyog on 2nd May, 2015, at KASSIA Udyog Bhavan, Vijaynagar, Bangalore. The project was guided by Dr. C. Vaman Rao, Prof. & Head Ms. Louella Concepta Goveas, Asst. Professor.

□ **NMAMIT- students attended SAKURA Exchange Program**

Nitte: To advance education and thereby to prepare our students to be competent and participatory global citizens, NMAMIT is happy to announce that the academic exchange between our institution NMAMIT, Nitte and Ritsumeikan University, Japan are strong and productive. Our Students have been selected for an exchange program called "Sakura Exchange Program in Sciences 2015" from 14th of December and 22nd December, 2015.

This is a free scholarship program for Undergraduate, graduate students and postdoctoral researchers provided by Japan Science and Technology Agency (JST). Dr Anil Kumar H.S, Associate Prof., Department of Biotechnology was leading the team and Shridhara T.N, Associate Prof., Dept. of Civil Engineering, Dhanush Kumar, Dept. of Civil Engineering, Rahul N.K, Dept. of Civil Engineering, Veekshith Kumar Rai, Dept. of Civil Engineering, Ankitha Shanbhogue, Dept. of Civil Engineering, Sadguna M Shetty, Dept. of Civil Engineering, Shreesha Rao, Dept. of Biotechnology, Ganga Gamana, Dept. of Biotechnology, Jane Maureen J, Dept. of Biotechnology, Ragini Ashok N, Dept. of Biotechnology were represented our institution at Ritsumeikan University, Japan.

It's a great opportunity for technology transfer, enhance research activities and professional experience.

□ **SAE Baja**

The students of the department are participating in this national level event since last two years. They participated for the first time during 21st to 23rd Feb 2014 at Pithampur, Madhya Pradesh. They got 38th position out of 123 colleges. The second time a team of 25 students participated in the competition during 20th to 22nd February 2015 at Pithampur, Madhya Pradesh the team was led by captain Mr. Sachin A. C., final year student. The team was guided by Dr. M. K. Parashuram, Director, Department of Electronics and Communication and Mr. Grynald Mello, Asst. Professor, Department of Mechanical Engineering. The team secured an overall ranking of 42 out of 109 colleges and 31st rank in endurance race at the National level. It stood 3rd in Karnataka state.

AEROCLUB

This is a unique club, which is interdepartmental, with students of different departments and year participating through voluntary registration. It organizes a number of interesting events for the students of the college which include – Aero Modelling workshop, Astronomy night and Star gazing camp, RC Plane Workshop etc. The members of the club participated in a number of events outside the college, which included Zephyr-14, which is a Boeing National RC plane competition, conducted by IIT Bombay, Mumbai.

GO KART

Students of the department have participated in the "Student Karting Championship" held at Lahari Resorts Hyderabad, during 23th to 27th October 2015. The Team got 20th place in the competition.

Mega ATV Championship

27 Students of the department participated in Mega ATV Championships held in Bhubhaneshwar Orissa during 4th to 8th March 2016 and got an overall 11th ranking at the National level.

- **Mr. Nishanth** of Final Year Electrical & Electronics, Shortlisted for the 5 Year Direct PhD Program – NMAMIT
-
- The project "Electronic Wheels: A User Guidance System" wins Phase1 of T.I. Analog Design Contest
A team from NMAMIT, final EnC, comprising Shivaprasad Veerabathini, Akshay Moza, Karthik Kini K and Vijay Hebbar, have won **the Phase 1 of Texas Instruments – Analog Design Contest 2012-2013**, for their project "**Electronic Wheels: A User Guidance System**" guided by Prof. M.K. Parasuram and sponsored by Texas Instruments. The team will compete with 22 other finalists on 4th and 5th April 2013 at TI International Conference ,NIMHANS Convention Centre Bangalore. We wish them more learning, exposure and success!
-
- Manthan Business Competition organized by Federation of Karnataka Chamber of Commerce and Industries – NMAMIT
-
- 2nd Semester NMAMitian makes it BIG in social networking design Suraj M.Shetty of BE 2nd Semester, has got the All India Rank 2, in 'Kendriya Vidyalaya Sangh Intel Excellence contest' for making a Social networking website in a group of 2. He would be attending the Award Ceremony in Delhi on the 5th of April 2013. We wish him success.
-
- Ms. Rashmi Rao of VIII Sem BE (BT) has been sponsored for a month long internship at National University of Singapore from 25th May 2013.
-

- Mr. Karthikeya N , 2nd Sem MTech (Machine Design) & Mr. Yashvanth, 2ndSem MTech (Construction Technology & Management) have been selected & sponsored for 6 month Project Work at Ritsumeikan University, Japan starting from September 2013.
-

- During 2012-13, ELEVEN 1st Sem MTech students have been granted GATE scholarships. During 2012-13, 8 batches of BE Project students have received KSCST grants for their final year project work.
