ABOUT THE INSTITUTE

NMAM Institute of Technology, founded in 1986, is located in Nitte, Karkala, Udupi Distt. It is a unit of Nitte Education Trust, Mangalore. The institute is affiliated to the Visvesvaraya Technological University, Belgaum and has been granted Academic Autonomy under Visvesvaraya Technological University from 2007-08. The institute is recognized by the All India Council for Technical Education, New Delhi and majority of its programs are accredited by the National Board of Accreditation (NBA). It has also been certified to the ISO 9001:2008 quality standards by DEKRA, Netherlands. NMAMIT granted assistance through TEQIP a world bank sponsored project executed through MHRD, New Delhi. The Institute is having very active MOUs for research and project collaborations with Pennsylvania State University, USA, Ritsumeikan University, Japan and National University of Singapore. The Institute strongly believes in promoting and strengthening research activities.

ABOUT THE DEPARTMENT

The Department was established in the year 1993 and offers 3 year MCA program. Currently the intake is 120. The department is ranked one among the top 10 Engineering Colleges Under VTU. The departmental laboratories provide good work ambiance with state of the art computing facilities to enable the students to carry out projects and acquire expertise in emerging technologies. The students are offered special inputs in Aptitude, soft skills and overall personality development regularly to enhance their employability. All the faculty members are committed and engaged in Research activities.
